TERMS

The stud fee is _____

For studding purposes, I require half of stud fee up front as a deposit before first breeding transpires with a signed contract. 2 breedings maximum (either the 10th and 12th day or 11th and 13th day will constitute breeding.) Remaining balance due before AKC litter registration is signed by me. (Owner of stud)

I do not board bitches; bitches owners must witness the breeding.

The stud fee is non-refundable; repeat breedings only

Three pups constitute a litter. If no pups are born and it is not due to a medical deficiency on the bitch, a repeat breeding will be offered at no additional charge so long as proper medical documentation accompanies false pregnancy, etc.

The owner of the bitch warrants that this bitch has not been/will not be exposed to any stud dog prior to her arrival and that she will be protected from such exposure after her return home. I shall be allowed viewing of the litter upon finding of litter registration at my discretion.
